Applicant:

APPLICATION:

Application for Status as a Temporary Resident pursuant to Section 245A of the  
Immigration and Nationality Act, as amended, 8 U.S.C. § 1255a

ON BEHALF OF APPLICANT:

Self-represented

**INSTRUCTIONS:**

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. If your appeal was sustained, or if your case was remanded for further action, you will be contacted. If your appeal was dismissed, you no longer have a case pending before this office, and you are not entitled to file a motion to reopen or reconsider your case.

Robert P. Wiemann, Director  
Administrative Appeals Office

**DISCUSSION:** The application for temporary resident status was denied by the Director, Western Service Center, and is now before the Administrative Appeals Office on appeal. The appeal will be dismissed.

The applicant appears to be represented on appeal; however, there is no Form G-28, Notice of Entry of Appearance of Attorney or Representative, from such individual in the record. Therefore, this decision will be sent to the applicant only.

The director denied the application because of the applicant's criminal record.

On appeal, the applicant claimed that the denial was unjust. He requested a copy of the record, and a period of thirty days in which to submit a brief. Although his requests were complied with, he never responded further.

As stated in 8 C.F.R. § 103.3(a)(3)(iv), any appeal which is filed that fails to state the reason for appeal, or is patently frivolous, will be summarily dismissed.

A review of the decision reveals the director accurately set forth a legitimate basis for denial of the application. On appeal, the applicant has not presented additional evidence in support of the claim. Nor has the applicant addressed the grounds stated for the denial. The appeal must therefore be summarily dismissed.

**ORDER:** The appeal is dismissed. This decision constitutes a final notice of ineligibility.
